Alexey Zhdanov, a new head of the General Director's office at MMC Norilsk Nickel

Alexey Zhdanov, former Deputy Director for management system development at the Company's Polar Division, has been appointed Head of the General Director's Office.

'Such aspects of the corporate governance as management system efficiency and corporate conduct have always been in the focus of the Company's attention. We are currently implementing a new management model that meets the latest standards, and the goal of the General Director's Office is to ensure compliance with this model, as well its further improvement', - noted A. Zhdanov.

Alexey Zhdanov was born on March 23, 1962 in Moscow and graduated in 1984 from the Moscow Financial Institute as specialist in international economic relations.

Mr. Zhdanov joined MMC Norilsk Nickel in 2000 as Deputy General Director and later he became Deputy Director of the Polar Division. He supervised the matters related to the Company's strategic development, corporate governance improvement, shareholders and investor relations, management reporting, organizational development and reformation of corporate and organizational structures.

A. Zhdanov is PhD in Economics.

Married, two children.

MMC Norilsk Nickel established corporate university

One more structural unit has been established by MMC Norilsk Nickel. On April 1, 2007 the Corporate Educational Centre (Moscow Head Office of the Company) and Personnel Training Centre (Polar Branch, Norilsk) were merged into Norilsk Nickel Corporate University, a non-governmental educational institution.

The new division will be responsible for all internal corporate procedures related to personnel education and training. Moreover, the Corporate University will carry out analysis of the Group's labor needs.

Norilsk Nickel Corporate University is an entity duly established under the Federal Education Law, and has a wide range of licenses to perform as an educational institution.

According to the University Rector Mr. Veniamin Kaganov, 'The level of education in our institution will be certainly higher than in traditional learning centres. Our existing and future programs are devised so as to provide skills and knowledge of university level. We shall invite the leading specialists of the Company and the best lecturers from other educational institutes and universities to participate in our courses and classes'.

Mr. Kaganov also notes that the Corporate University plans to provide education and training services to third-party customers in the longer term, thus stepping out on the CIS market as a leading corporate educational institution.

MMC Norilsk Nickel currently runs about 6,000 learning programs and training courses for 300 most important professions. In 2006, more than 30,000 employees of the Company took part in various corporate educational programs.

Norilsk Nickel Magazine was named the best among industrial corporate printed media

Association of Russian Corporate Media named Norilsk Nickel magazine the best corporate periodical in the category Metallurgy. The contest was held in Moscow at the IV Annual International Conference The role of communications and corporate media in strategic corporate management. 183 media were nominated.

Media Platforma LLC, the publisher of Norilsk Nickel magazine, presented copies of the first issue in 2007, which had been redesigned. The new design was elaborated by Izdatelsky Sindicat LLC (subsidiary of Kommersant Publishing house). Izdatelsky Sindicat won the tender Media Platforma held in autumn of 2006.

Norilsk Nickel magazine is a corporate periodical of MMC Norilsk Nickel. It publishes stories on Norilsk Nickel Company, its employees, partners, events in international and domestic metallurgy. The key project idea is to show the role of a person in managerial and technological processes of one of the world's largest companies and to reflect the most important events taking place in the regions where Norilsk Nickel subsidiaries operate.

Since 2002 the full colour magazine is issued on 52 pages eight times a year. The circulation of each issue is 15,600 copies. The magazine is printed in Moscow and distributed for the most part on subscription among the Company's best employees in Norilsk and Krasnoyarsk (Krasnoyarsk area), Dudinka (Taimyr (Dolgano-Nenets) Autonomous District), Moscow, Saint-Petersburg, Monchegorsk, Zapolyarny (Murmansk area), and Sochi (Krasnodar area). Besides, the magazine is available to the Company's offices based abroad in London and Paris.

The electronic version of the magazine including its English version can be found at www.nn.nornik.ru.

The magazine won The Communicator Awards 2005 (USA) in the category Electronic Corporate Magazines, was named the best within a prestigious PR contest PROBA – IPRA GWA 2004 (RF) in the nomination Corporate Periodical of the Year and took prizes at a number of other national corporate media contests.

The magazine targets the Company's employees, residents of cities where Norilsk Nickel subsidiaries operate. The ratio the Company's employees to workers among the readership is 20/80. Sixty-four per cent of magazine readers are men and 36% are women. The average age of the readership is 40.

MMC Norilsk Nickel is the founder of the magazine; Media Platforma LLC is its publisher since 2005 (tel.: +7 (495) 786 83 25, fax: +7 (495) 786 83 50)
